PLACE

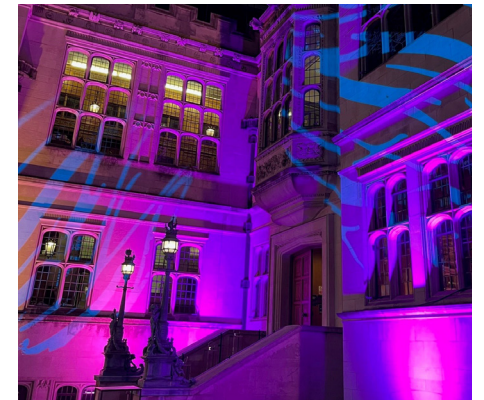

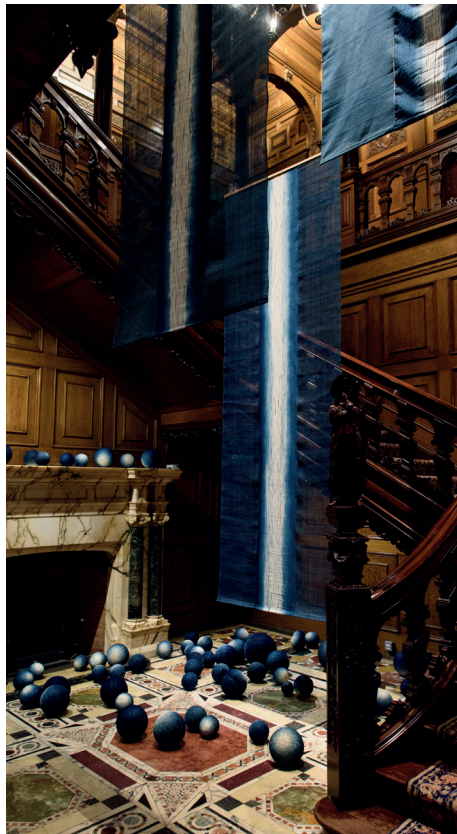

Corporate Partnerships

Two Temple Place is part of a charity, so we raise vital funds to open to the public, maintain our historic home, and share exhibitions, guided tours, and arts events throughout the year.

Corporate partnership at Two Temple Place delivers unique benefits for your business and your CSR objectives. You'll receive very special access to one of London's most beautiful buildings

and its rich and eccentric history. We offer a range of bespoke opportunities to entertain in our unique and glorious building, and you'll be supporting our charity and our public projects and events.

Partnership is our watchword – it's what makes our exhibitions and projects possible, and with your support we can open our home to more people throughout the year.
