

# TWO TEMPLE PLACE COMMUNITY PROGRAMME

We are excited to welcome your group to Two Temple Place!

Our community programme engages groups in the history and craftsmanship of the building. Working with artist facilitators groups are able to explore their creativity and connect with other people in a calming and mindful environment.

Choose from one of the following creative workshops below for your group!

Workshop lengths can be adjusted.  
Please speak with our coordinator to discuss any changes.

## CLAY GARGOYLES & GREEN MEN WORKSHOP

Working with artist Cecily Loveys Jervoise, be inspired by the gargoyles and mythical green men carved around Two Temple Place and make your own from clay!

*1.5 hour workshop*

## CLAY PORTRAIT WORKSHOP

A multidisciplinary artist, Fatima Duke-Pratt, will guide you through the process of creating a portrait out of clay. Inspired by all the faces found around Two Temple Place you will get a chance to sculpt a bust of your choosing.

*1.5 hour workshop*

## PORTRAITURE WORKSHOP

Discover the characters from literature and history carved around the Great Hall at Two Temple Place. Working with a facilitator, groups will create a portrait of a character of their choosing using collage and sketching techniques.

*1.5 hour workshop*

## PATTERN PRINTING WORKSHOP

Explore the patterns and ornate hand carved details around Two Temple Place. Your workshop leader will lead the group in printing techniques using the building as inspiration.

*1.5 hour workshop*

## STAINED-GLASS WINDOW WORKSHOP

Take inspiration from the stained-glass windows in the Great Hall at Two Temple Place. Using patterns, shapes and colours the group are encouraged to think about their safe spaces and environments and create their own 'stained glass' window.

*1.5 hour workshop*

## MINDFUL BIRD SKETCHING AND CRAFTING WORKSHOP

Inspired by the incredible carvings found within Two Temple Place the participants will sketch and create their own birds and bird-like images using various materials. The workshop also concentrates on mindfulness through observation, imagination, reflection and breathing exercises.

*1.5 hour workshop*
